

Will this affect the provision and quality of education provided?

No – the implementation of VAT will not affect the excellent quality of academic education,

We will extend the means tested bursary programme to the whole school to support families whose finances are put under significant pressure by the addition of VAT, including Caterham Prep.

We will raise the means tested bursary threshold to cover the increases related to VAT for the next three years.

We will offer those parents who need additional support the ability to pay fee increases related to VAT in a greater number of instalments over a longer period.
