Training Short

Is there a way that I can try uniform and kit on for size before ordering?
School Blazer offer an intelligent sizing service that will help you find the correct size for your child, which parents have found to be very effective in the past. Games kit is available to try on at the Sports Centre.

Additional, Sixth Form specific, games kit is mentioned. When can I purchase that? Will I need to buy new kit?
Responding to requests from pupils, there will be some additional items available to Sixth Form pupils at some point this academic year (eg. leggings and a black hoody) These are completely optional.

The size I want isn't available, what shall I do?
You may well be able to place an order for it to be dispatched soon. If you are concerned or this isn't an option please contact both us and the supplier to be updated on when the correct size will become available. In the unlikely event that your child cannot get suitably sized uniform and kit for the start of term, please let us know and we may well be able to lend them kit until their own becomes available.
